# Ödenburg

From Gelterkinden to Tecknau

## Itinerary:

Gelterkinden (397) – Aerntholden (535) – Grossholz (610) – Burgruine Ödenburg (571) – Bettstigi (560) – Tecknau (445)

The railway line S3 takes only three minutes from Gelterkinden to Tecknau. Our hike along the edge of the Grossholz is more pacific but provides an interesting outlook on one of the most important railway lines of Switzerland. At the Ödenburg we learn about possible links of this site with two other European castles with the same name. On the way down we pass a waterfall and caves in the limestone cliffs.
